

ESSEX AGGIE

DEDICATION

Theresa Nowicki

It is with love that the Class of 1995 dedicates its yearbook to Ms. Theresa Nowicki.

"Ms. N" is an amazing woman, whose outlook on life opened many eyes. When she left she took a great part of the Aggie with her. Her sense of humor, her wisdom, and her dedication were greatly missed this past year.

We miss you Ms. N, and wish you the best of luck for the future.

Love always,
The Class of 1995

CLASS ADVISORS

Kay Pierce and Charlie Saulnier, Advisors

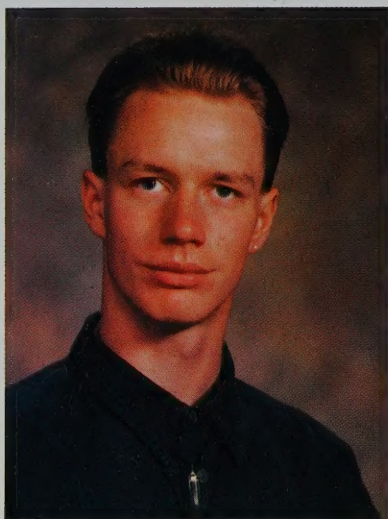

The Class of 1995 would like to extend its appreciation and extreme gratitude to our class advisors, Mrs. Kay Pierce and Mr. Charlie Saulnier. We had a late start, a *very* late start, but with your dedication and persistence, your time and efforts behind us, we were able to make it through our senior year.

As we leave, we take with us many fond memories, that without your help, would never have happened. We'll never forget all that the two of you have done for us. We'll miss you!

Many Thanks!

Love, The Class of '95

ADMINISTRATION

Helen M. Hegarty, Principal

I want to congratulate you on your successful completion of your high school program. I hope you will have fond memories of your years at Essex and remember your teachers and others who have worked hard to prepare you for your future. Remember also the many friends and acquaintances that you made here for they also played an important part in shaping the person that you are.

Your high school years should have a very special place in your heart. Cherish this book for it is a lifetime reminder of that special time of youth.

Use your education wisely. Work hard and be the best that you can be. I am confident that you have a firm foundation on which to build your future successes.

Helen M. Hegarty

Throughout a person's lifetime, the most vivid memories are of experiences you have for the first time. You are my first graduating class. As a teacher, I have experienced many graduations. As an Assistant Principal, you are my first, which will last a lifetime.

I have watched you mature and grow over your four years here. I hope you continue to grow and expand your life experiences long into adulthood.

Bob Clifford

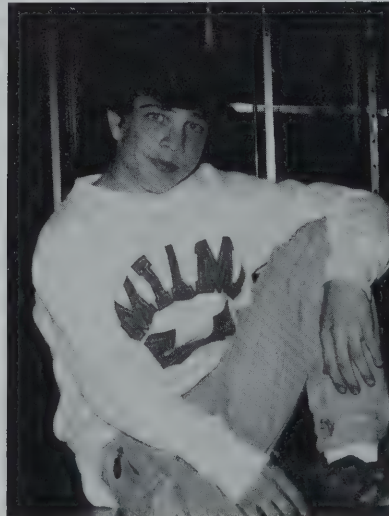

For nearly two decades now, Mr. Robert Clifford has been a “regular fixture” here at the Aggie. From being a class advisor, an awesome English teacher, and just a great guy, Mr. Clifford has done it all.

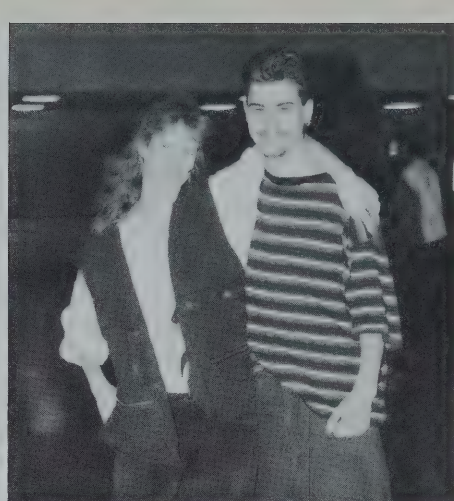

Mr. Clifford, we will never forget you! Your classes were ones which most of us will never forget. You help to teach us about life, golf, and to enjoy English. Your sense of humor will be greatly missed, by student and faculty alike. Best wishes for the future! Keep smiling!

We love you!
